

Matamata Christian School

INTRODUCTION

Matamata Christian School is an integrated composite school for Years 1–10, located in the beautiful township of Matamata.

We teach the New Zealand Curriculum through a Biblical worldview, with our Special Character shaping every aspect of school life. Our vision is to build a culture deeply rooted in Christian faith and high-quality learning.

Our dedicated staff work to ensure that students grow in academic and physical excellence, learn to articulate their faith, and develop a genuine heart for discipleship. A defining strength of our school is the strong sense of community and the consistent support we receive from our families and wider network.

In 2026, our learning focus will centre on redeveloping our school curriculum in alignment with the new national curriculum releases. Ongoing development will also continue in Bible, Te Reo Māori, BSLA across Years 1–8, and the schoolwide implementation of Writer's Toolbox. A commitment to engaging fully in the school's professional development programme is an expectation for all staff.

In 2026, Matamata Christian School will comprise seven classes, with a roll of approximately 150 students, as we welcome Year 9 for the first time. Growth is expected to continue into 2027, reaching around 180 students as we expand to include Year 10.

YEAR 6 PART-TIME TEACHER POSITION

Matamata Christian School is seeking a skilled and passionate Year 6 teacher to join our highly respected team as we grow our school. This is a part-time position of either 0.4 or 0.6 according to the preference of the successful applicant, shared with another teacher. This position offers an exciting opportunity for an outstanding educator with proven ability to inspire and motivate students across the subject range.

The successful applicant will be a reflective practitioner who feels called to serve in a Christian school setting. While previous experience in Christian education is not essential, a genuine desire to nurture students to grow in faith and develop hearts aligned with God's is vital.

We are looking for a teacher who is eager to grow professionally, engage deeply with our teaching philosophy, and participate fully in the vision and life of the school. A willingness to inquire, reflect, and apply effective, research-based strategies is essential.

Strong interpersonal skills are a must. The successful candidate will build positive relationships with students, colleagues, and parents — bringing out the best in others to accelerate student growth. We are seeking an enthusiastic team player with initiative, creativity, and a missional mindset — someone passionate about helping students thrive academically, physically, and spiritually.

Strengths in coaching a sport will be an advantage. If desired, there may be further opportunities to teach in minor subjects in the senior school too.

Our school is developing a strong, success-oriented culture built on faith, excellence, and community. If you are inspired by this vision and believe you could contribute passionately to it, we would love to hear from you.
